

Hello Everyone!

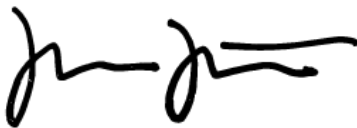

We hope this letter finds you all well. It has been really great to start seeing you all again. Your health and safety are our top priority and as we move forward and reschedule your appointments, we would like you to be aware of a few things:

- *You may get an automated update with a new appointment day and time.* In an effort to streamline the process of rescheduling and practice improved social distancing within the office, we will be pre-appointing your visits. If the new day and time does not work for you please call us to reschedule. **541-687-0173.**
- You may not wish to come in yet. We understand that and will work with you to come up with a plan on getting you back into a preventive routine. Please call us. **541-687-0173.**
- If you **DO NOT** have an appointment scheduled and need one, please call us. We are trying our best to get all of our previously canceled patients back on the schedule but it is taking longer than normal. **541-687-0173.**
- Our phone lines have been very busy. If you don't get through immediately, please leave a message and we'll call you back.

We'd like thank you all for your support of our clinic during these challenging times. We appreciate your patience as we move forward and Oregon begins the slow process of opening back up. We've integrated some new systems in the office to ensure your safety and continued health and look forward to seeing you soon.

Please let us know if you have any questions.

Best,

A handwritten signature in black ink, appearing to read 'Jeff Jentsch', with a stylized flourish at the end.

Dr. Jeff Jentsch, DMD
